

Alan Shearer Activity Centre

Sensory Story

**What will you see, hear,
touch, taste or smell?**

The Alan Shearer Activity Centre is a large building with lots of different activity rooms, gardens and a café.

These are some of things I might see, hear, touch, taste or smell when I'm at the Centre...

When I visit the Activity Centre

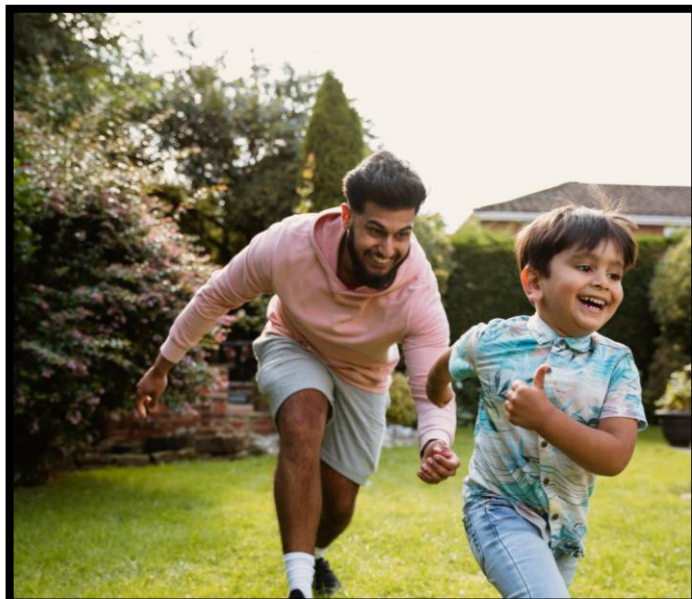

Outside I might see: 

Plants,
flowers and
trees in the
garden

A fun play
park

People walking
and playing in
the garden and
play park

When I visit the Activity Centre

Inside I might see: 

Other children,
adults and
babies

Lovely food
and drinks
in the café

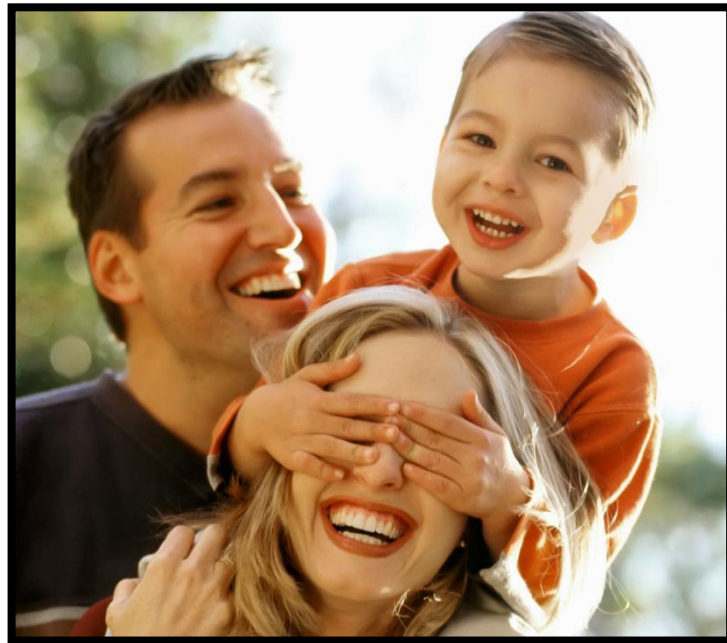

Sensory toys
and equipment

Different
activity
rooms

When I visit the Activity Centre

I might hear: 

**People talking
and laughing**

**Music
playing**

**A lawnmower
in the garden**

**Water
splashing
in the pool**

When I visit the Activity Centre

I might touch or feel: 

Different textured cushions

The sensory equipment

The textured plants and flowers

When I visit the Activity Centre

I might taste: 

A cold drink
from the
fridge

Hot tea,
coffee or hot
chocolate

A toastie or
a slice of pie

A tasty
sweet treat

When I visit the Activity Centre

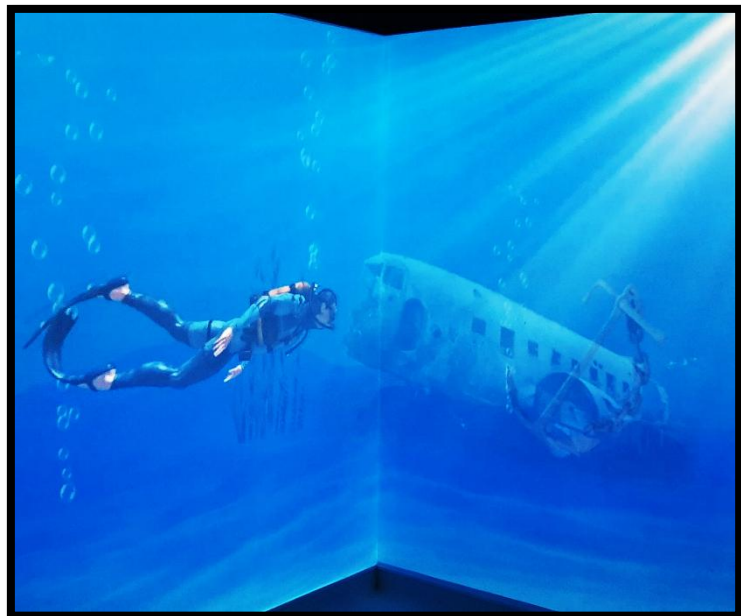

I might smell:

**Yummy food
and drink**

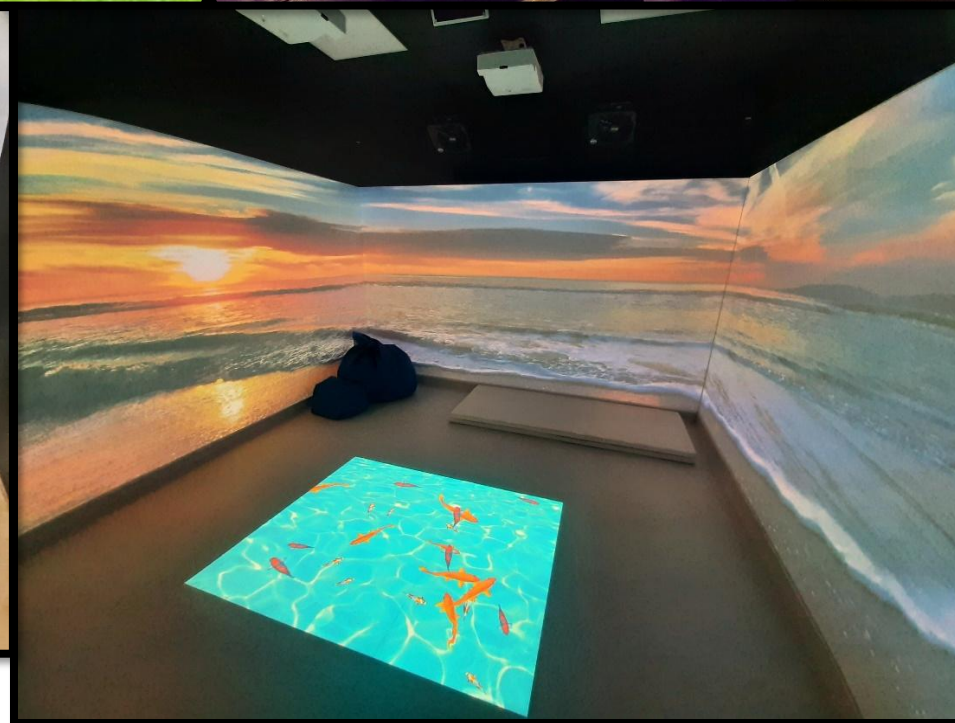

**Chlorine in
the pool**

**Different
scents in the
Immersive
room**

**Flowers and
plants in the
garden**

I can have a fun time
at the Alan Shearer
Activity Centre!
